

Sun City Amateur Radio Club, Inc.

Sun City, Arizona 85351

October 1891

The October 1981 regular meeting will be held on Tuesday, the 20th, at Fairway Recreation Center at 7:30 P.M. The speaker will be Mr. Charles "Chuck" Finch, who will recount his experiences as pilot of Air Force One and as much as he can about the communications system of Air Force One. The wives may be interested in this program also, but they should bring their rec cards.

On Tuesday, Nov. 17, Dr. and Mrs. Vito Del Dio will speak on Non-invasive Diagnoses of Arterial Occlusion with the new Ultrasonic Modality. This program should also be of interest to rec-card-carrying spouses.

Short Skip -

Hokie Bang, WA7TMH, Editor

UP-GRADE - Harold Jonte is now Advanced, with the new call of KB7ZQ.

VISITORS - Marilyn, KA7JOU (Phoenix) and Donna, KB8YS (Ohio), were guests of Ruth and John Garrison on 9/24/81.

SILENT KEYS - Wally Koppmann, WA7YKB, on 9/10/81 in Rapid City, S.D. --- Berthe Karon, WAØFUT.

ARRL MEMBERSHIPS - Join or renew membership in ARRL through Floyd, K7BN. \$2.00 goes to the Club. You now need to submit proof of age for the lower Senior Citizen rate.

NEW KID - Al Corwin, WA1UKD/WIHFJ, 18807 Mayan Drive, 85373, (602) 977-1788, was at Ritter's on 10/1/81. Welcome to Sun City, Al.

S.E.T. AMERICAN RED CROSS - Phoenix will have a Red Cross Simulated Emergency test on October 17 from 7:30 A.M. to 3:30 P.M. (14:30 to 22:30/Z). The Sun City Chapter with our help will be involved at least for a time. The 2-meter frequencies will be 147.87/27 repeater and 146.43 simplex. The Civil Air Patrol frequency is 148.15 MHz. The temporary base-station will be at the Sun City Red Cross office on Coggins Drive, in the same building as the "Sun City Citizen." You will be contacted by landline if you are needed, but please monitor these frequencies to become acquainted with this test. (Per WA7TMH) (See October '81 QST, Pp. 54-56).
