Sun City Amateur Radio Club

Sun City, Arizona 85351

December, 1982

The DECEMBER MEETING of SCARC will be held on Tuesday, Dec. 21, at Fairway Recreation Center at 7:30 PM. The program will be a presentation by Chuck Bailey, W7YU, on his Recreational Vehicle Caravan tour of New Zealand last Spring. During that trip Chuck kept regular schedules with many hams in Sun City as well as in other locations of Arizona and California. Chuck and Kay took many beautiful slides of the country of New Zealand and of the hams he visited there. This should be a very interesting program.

At the Nov. Meeting nominating committee chairman, Sam W7JFQ, presented the following slate for '83 officers;

President....Chuck Bailey, W7YU
Vice Pres....Edward Blaszczyk, N7EB
Secretary ...Paul Roach, K2KFL
Treasurer ...Walter Dack, KA70GN
DirectorBill Balch, W7LCE

At the December meeting other nominations can be made from the floor. Election of officers will follow.

CAR POOL YOUR HAM NEIGHBORS who don't drive at night and bring them to the meetings.

RENEW YOUR ARRL MEMBERSHIP through Floyd, K7BN, If you are 65 yrs. or over, make out one check for \$2.00 to Sun City ARC and another check for \$18.00 to ARRL (with proof of age); otherwise \$23.00 to ARRL.

CLUB DUES of \$4.00 will be due January 1983. If you want to pay them before Jan., date your check as of January '83 and give or mail to our current treasurer, Ruth Garrison, WA8FSX.

THE 2m CLUB NET meets at 7:00 PM each Wednesday on 147.57 Mhz Simplex and features each week the latest in ham radio news on Westlink tapes.

10 Mhz OPERATORS BEWARE - FCC is passing out citations for operations in the forbidden portion between 10.109 and 10.115 Mhz!

THE LUNCH BUNCH gets together informally at the recently enlarged "Ritters" each Thursday at 11:30 AM.

Recent visitors there were Bill McFadden, W8CBL, visiting his daughter in Phx.; Jim Koci, newly upgraded to KD7BD; Gerry Vogel, K9QHJ, and xyl Wallie, from Tucson, visiting Chuck, K9IHV, who recently returned from a cruise through the Panama Canal. Chuck had his TS-130 on shipboard, and we hear that he made a lot of cruise passengers happy by getting them phone patched to their respective families QTH's.

We hear that Van, KB6PK is turning DX'er with his new beam installed. A 9X5 station in Rwanda, Africa was his first contact. Talking about DX, Eva, KC7RY, was mighty happy to work Abu-Ail when they came on the air on Dec. 6.

The 20m & 15m Sun City nets have been highly successful during the vacation season. However, now that everybody is back in S.C., these nets are discontinued until next summer.
