Sun City, Arizona 85351

September, 1983

The September meeting of SCARC will be held Tuesday, Sept. 20, 1983 at 7:00PM at Fairway Recreation Center. The period from 7:00 - 7:30 PM is for socializing, eyeball QSO's and meeting of new members. The program, beginning at 7:30, will be presented by Paul Johnson, W7KBE, who will tell us all about "Authoring a QST Article".

There also will be a short description of techniques used in communicating with the forthcoming STS-9 Space Shuttle, to get you prepared for this first Ham-in-Space event in October. The Board approved \$50.00 for a Space Shuttle Antenna Program for our Club and has agreed to aid ARRL in publicizing this Ham Space Shuttle Operation locally.

In addition Bob Hatter, K7RDH, of Phoenix will give a short presentation on "Collecting Amateur Call Letter Licence Plates".

CAR POOL YOUR NON-DRIVING HAM MEMBERS and bring them to the meetings.

TO RENEW OR TAKE OUT MEMBERSHIP IN ARRL contact Floyd, K7BN (977-6587).

The 2m CLUB NET meets at 7:00 PM each Wednesday on 147.57Mhz. Simplex and features each week the latest in ham radio news on Westlink Tapes.

The LUNCH BUNCH gets together informally at "Ritters" on Thursdays at 11:30 AM. Between 15 and 25 people turned out weekly all through the Summer months in spite of the heat.

The SUN CITY ARC SUMMER VACATION NETS, conducted by Chuck, W7YU, and Eva, KC7RY, on Mon. & Fri. have been very popular with our out-of-town members. At times we have had up to 18 members check in per session. By now many have returned, and by end of Oct. everyone should be back in S. C.
